OUR APPROACH

Dr. Gordon Neufeld's attachment-based developmental approach is a refreshing alternative to quick fixes & socialization.

In a world of fragmented knowledge, esoteric terminology, and superficial behavioral strategies, Dr. Neufeld's insight-based model offers a refreshing alternative to standard cognitive-behavioral fare and the medical "disorder" approach.

The Neufeld Institute, physically headquartered in Vancouver, BC, is a **non-profit society and charitable organization** registered in Canada.

OUR FLAGSHIP COURSE

Neufeld Intensive I: Making Sense of Kids

This 20-session course provides the conceptual foundations of Neufeld's approach. Participants are equipped to use the constructs of attachment, maturation, and vulnerability to view children and their problems three-dimensionally.

Whether you are a parent, grandparent, educator, or helping professional, our courses are designed to deepen your understanding of children—and yourself.

OUR COURSES

- can be taken from anywhere, at any time
- come with generous course access of 12 months
- come with a certificate of attendance upon completion
- can be taken as a group by special arrangement

*Some of our online courses are also offered as online **scheduled classes** from time to time.*
