President's Letter

This past year was a year of development where HTWF implemented new grant opportunities, introduced new events, organizing two regional gatherings, in addition to our regular responsibilities.

First I would like to thank YOU our Donors for your support and ALL the people that participated in our events, because of YOU we were able to accomplish all we did. Thank you from the bottom of our hearts.

Looking back over the year I am extremely proud of our team for all of our accomplishments. We started the year with 7 Board members, went down to 5, and successfully continued to uphold all the duties of an active non-profit requiring many of us to wear multiple hats. We had a very successful year increasing our bottom line by \$13,000+, after paying for program expenses, grants etc.

Our key areas of emphasis were to grow awareness of what HTWF offers, recognizing the good work of our grantees and planting seeds for future grant applications. I feel we have made good progress in these areas. Several grants were completed this past year: teaching a Level 1 Healing Touch class to an under served community of veterans, two Exhibitor Outreach events and three Veteran Stand Down events touching almost 400 people. Healing Touch Month touched 260 people's lives and our new Hearts Worldwide volunteer platform touched 2300 people's hearts through their gift of Healing Touch!

Three years have flown by as I step down as President and now turn the reins over to Norman Morrow. Norm is looking forward to the challenge, having served the board greatly as our treasurer for 19 years. We also welcomed Guy Lavergne, joining the board in November taking on the role of Treasurer, succeeding Norm.

In Light and Gratitude,

Nancy Lavergne, HTCP

In January 2020, our Healing Touch community and our foundation lost a great member, Bonnie Morrow. Bonnie was involved with HTWF for over 20 years. Janet Mentgen reached out directly to Bonnie in 2004 asking her to lead the foundation as she knew that Bonnie was the right person to do this. The foundation grew immensely over the years under Bonnie's influential leadership and involvement progressing with its mission of Advancing Healing Touch Worldwide.

We will greatly miss Bonnie's energy, leadership and counsel.

Growing Awareness of Healing Touch through Outreach

Hearts Worldwide is a volunteer platform developed to assist in growing Healing Touch awareness and to recognize the broad impact our compassionate Healing Touch community is providing worldwide.

To help understand and communicate the level of impact, we like to track the number of Healing Touch sessions that are being gifted collectively by our worldwide Healing Touch community.

This information may also help HTWF on future endeavors with Healing Touch research.

Participation is voluntary and self-managed. The program automatically calculates the monthly sessions, individually and collectively on our home page.

In 2019 volunteers gifted almost 2,300 sessions!

Grants

In 2019 the Foundation supported outreach efforts by providing \$3,145 in direct cash grants to support the 2020 Alberta Healing Touch Conference, to support publication of a book of Healing Touch stories, and, in conjunction with the Healing Touch Professional Association, to support two exhibitor booths at conferences and four veteran Stand Down military events.

Reach Out Initiative (ROI) Grant

Rosann Geiser, HTCP/I, taught a Level 1 Healing Touch class at the *Harry S. Truman Memorial Hospital* in Columbus MO.

18 students attended: 12 veterans, 3 family members and 3 hospital staff members. All of whom would not of been able to take this class without the initiative of Rosann and assistance from HTWF and Healing Touch Program.

"One participant shared that he had been doing the Mind Clearing on himself and it was helping him cope with PTSD."

The ROI grants support instructors bringing a Healing Touch Level 1 class to an underserved community.

Fundraising

In 2019, HTWF was actively engaged with the HTP Worldwide Conference in San Diego along with all of the regional conferences. In addition to leading auctions and raffles at the conferences, marketing activities such as the very successful internet auction, virtual walk, Giving Tuesday etc., increased our income for this year.

We provided grants to Healing Touch Alberta for the instructor meeting, to Vitality Inc. in Cincinnati to develop and publish a book on stories of Healing Touch as well as seven service grants.
