

## **HTWF Activities that Apply toward Certification Renewal and the Level 5 Community Project Growth Work**

### **I. Certification Renewal**

1. Attending an HTWF educational course, workshop, webinar, etc. applies toward the continuing education requirement for practitioner and instructor certification renewal. Certificates of attendance are provided by HTWF to indicate the duration of the course (hours) and successful completion. Recent examples are the energy classes taught by Barbara Evans (founder of The Art of Raising Frequency), Nancy Rebecca (Professional Psychic Development Facilitator and Intuitive Mind Program) and Larry Wells (NLP Master Practitioner and Certified Trainer).
2. Plan and participate in development of a Healing Touch video or social media recording for Healing Touch education, advertising or fundraising to apply a maximum of 20 hours toward Professional Development requirement.

### **II. Level 5 Community Project Growth Work Requirements**

1. Involvement in planning, organizing and teaching an Introduction to Healing Touch under the "HTWF Millennial Initiative." Under that initiative, HTWF provides a small honorarium to a Level 4 student or above who teaches an Introduction to Healing Touch class of at least 2 hours to an audience that includes at least 5 students under the age of 35. For full details [click https://htwfoundation.org/content\\_assets/docs/Millennial-Initiative.pdf](https://htwfoundation.org/content_assets/docs/Millennial-Initiative.pdf)
2. Involvement in planning, organizing and teaching an Introduction to Healing Touch of at least 2 hours during Healing Touch Month.
3. Involvement in planning, organizing and participating in an HTPA/HTWF "Service to Military" event with veterans. This program, administered by HTPA, reimburses some expenses, such as mileage and shipping of the HTPA/HTWF banner kit. For full details [click About the Grant - Healing Touch Professional Association \(htprofessionalassociation.com\)](#)
4. Involvement in planning, organizing and participating in an HTPA/HTWF "Exhibitor Outreach" activity. This program, administered by HTPA, reimburses some expenses (up to \$370) associated with having an exhibitor booth at a health fair or similar event and provides the HTPA/HTWF banner kit and Healing Touch materials to be given away at the event.
