- Nurturing Exercises with the Angels
- Themes for Angel Visualizations
- Additional visualizations and exercises

You will be presented with full notes, so the emphasis of the training will be on practicing the skills, gaining confidence and empowerment.

Course work and home study

Pre-Course:

The school has a suggested reading list for all our teaching courses, and we recommend you read the books as core material for your ongoing spiritual development. This way you gain a basic understanding of the content of the course, it

is advised that you read the following books for the teacher training program you are attending. You can then receive the full benefit of the teaching for personal development and running your own workshops. This reading has the added advantage of providing you with endless ideas for your own workshop material. All books on this list are written by Diana Cooper.

Recommended Reading for All Courses
