

# THE ROSE

The Alliance of Divine Love Newsletter

SEPT 2024

During the 2024 Alliance of Divine Love National Conference, we had the opportunity to create a vision board for the future of our ministry. Whether you were able to attend the conference or not, this vision is a collaborative effort from all of us.

As we approach Fall, the season's change signals us to take a moment to reflect on our lives. What have we harvested from the great Spirit within? How have these things manifested in our lives so far? What spectacular things are yet to come?

### Intentions

by Rev. Rita Scheibeck

In many different spiritual practices, we use the word “intention” as something to strive for, something to express to the Universe or Divine Energy what we want or desire. The other day, while thinking of the word “intention,” I wrote this affirmation:

### Dying To Be Free

by Rev. Stacey Piedrahita

All I ever wanted was just to be me, to be loved for who I am, not for who I used to be  
How are you supposed to know who you are when the past won't set you free?

### Comfortably Numb

by Rev. Stacey Piedrahita

I was comfortable in the darkness and never wanted help. I thought I deserved all the abuse and neglect. How did I get it so wrong where were my teachers? It wasn't their fault. I was numb to any feeling. Even if they wanted to help and offer me a hand, I won't have taken it because that is who I am.

### My Own Wings

by Rev. Stacey Piedrahita

I soar on golden wings toward an endless blue sky. My heart is full I no longer question why  
On my own wings as I ascend higher  
As destiny aligns  
My future is brighter  
I saw this in my dreams
