

Twelve Moods

Sun – Venus – Mercury – Mars – Jupiter – Saturn – Moon

Aries

Arise, oh shining light,
Take hold of growth and
becoming,
Lay hold of the weaving
of forces,
Yourself ray forth, life-
wakening.
In face of resistance,
gain;
In stream of time,
disperse;
Oh shine of light, abide!

Taurus

Brighten, oh glory of
being,
Reach into the power of
becoming,
And weave the thread of
life
Through worlds imbued
with being,
In mindful revelation,
Into radiant life-
awareness.
Oh glory of being,
appear!

Gemini

Reveal yourself, life of
sun,
Stir up what tends to
rest,
Embrace what desires to
strive
Towards a mighty
prevailing of life,
Towards a blessed
knowing of worlds,
Towards a fruitful
maturing of growth.
Oh life of sun, endure!

Cancer

You resting, luminous
glow,
Engender warmth of life,
Enwarm the life of soul
To meet with vigor each
test
And permeate itself with
spirit
In quiet, light-
outstreaming.
You luminous glow, gain
strength!

Leo

Invigorate with senses'
might
Matured existence of all
worlds,
Perceptive element of
beings,
Toward the firm resolve
'to be'.
In the surging shine of
life,
In the prevailing pains of
growth,
With senses' might,
arise!

Virgo

Behold the worlds, oh
soul!
Let the soul take hold of
worlds,
Let the spirit lay hold of
being,
Work out of powers of
life,
Upon will-experience,
build,
In blossoming worlds,
put trust.
Oh soul, comprehend
the beings!

Libra

The worlds are
sustaining worlds,
And being perceives
itself within being,
Existence bounds itself
with existence.
And being stirs and
causes being
To pour out deeds that
unfold,
To rest in world-
enjoyment.
Oh worlds, uphold the
worlds!

Scorpio

Existence consumes the
being,
Yet in being, existence is
held.
In activity, growth
disappears,
In becoming activity
pauses.
In worlds that prevail and
punish,
In the chastening that
shapes and forms,
All-being sustains the
beings.

Sagittarius

Becoming achieves the
power 'to be',
Into what is, the might of
becoming dies.
Achievement resolves
the desire to strive
Into prevailing will-force
of life.
In dying, there ripens
prevailing of worlds,
Forms disappear within
forms.
What has come to be,
may it feel what is!

Capricorn

May what is coming, rest
on what has been.
May what has been,
surmise what is to come,
For a vigorous present
existence.
Through inward life-
withstanding
May world-beings' guard
grow strong,
May life's working might
blossom forth,
May what has been
endure what is to come!

Aquarius

May what is bounded
yield to the boundless.
What feels the lack of
bounds, may it create
Bounds for itself in its
depths;
May it raise itself in the
current,
As wave, flowing forth,
sustaining itself,
In becoming, shaping
itself to existence.
Set yourself bounds, oh
boundless!

Pisces

In what is lost, may the
loss find itself,
In what is gained, may
the gain lose itself,
In what is
comprehended, may
comprehending seek
itself
And sustain itself by
sustaining.
Through becoming,
uplifted to existence,
Through existing,
interwoven with the
becoming.
May the loss be gain in
itself!
