

NURSERY OWNERS SUMMIT

HELPING NURSERY OWNERS &
THEIR MANAGERS REACH THE TOP

Exhibitor & Sponsor's Guide Nursery Owner's Summit 2025

Nursery Owners Summit 2025: What to Expect.

Thank you for declaring your interest in being involved in the Nursery Owners Summit 2025. If you attended last year, welcome back! We're so glad you want to be involved again. If this is your first Nursery Owner's Summit, firstly, welcome aboard, and secondly, let us familiarise you with the event and what you can expect to see in Nottingham in June.

This is our second consecutive year of running the Nursery Owners Summit, after debuting the event in Leeds in June 2024. NOS is a small event with a personal feel, targeted towards Early Years setting owners, providing them with information on key nursery ownership topics such as managing inspections, employment law, and planning for the future, while also sharing success stories to leave attendees motivated and inspired to 'reach the summit' of their early years setting. Last years event was met with rave reviews, with 97% of last years attendees rating the event an 8/10 or above, and we hope to make that number even higher this year!

About The Day

The event will run from 9am until 4:30pm on Friday 13th June, and will be filled with masterclasses throughout, provided by our expert speakers who will guide the attendees around their area of expertise, allowing us to cover a wide array of crucial management and ownership topics in the world of early years education.

There will be breaks between masterclasses, allowing time for the attendees to visit exhibitors stands. We like to keep this event small and personable, so we don't hold it in massive conference halls, so don't worry, attendees will have plenty of time to visit your stand. We encourage exhibitors and delegates to communicate as much as possible, and we love to see how exhibitors keep their stand engaging with innovative ideas and interactive materials.

About The Venue

This years event will be held at The Village Hotel in Nottingham. Located just off junction 25 of the M1 and less than a mile from Attenborough train station.

What Last Years Attendees Had To Say

“The conference has been incredibly helpful in supporting me to reflect on the nursery itself and what I want to achieve going forward outside of the nursery. The booklets were also fab.”

“Very informative, well presented, lovely to meet fellow nursery owners. Looking forward to the next one!!!”

“Fantastic agenda. Really strong range of topics/speakers. Got something from each one. Loved the day, thank you for all the hard work which must have gone into it.”

“Really enjoyed the event, felt well looked after and the speakers were knowledgeable. Like that for the most part speakers didn't roam into corporate territory”

“A very informative and inspirational day. Gave me affirmation that I'm on the right track leading nursery staff and managing my settings.”
