She is often introduced as "the modern-day nutritionist – the one who likes a bit of wine and coffee."

Michele has recently completed her formal education in Positive Psychology, which fuses nicely into her wellbeing presentation. Michele is Cure Cancer Ambassador and has been nominated many times as a finalist for Australia Mental Health Awards. Michele delivers to audiences all over the world including, PESA and IPEN stages with Dr. Martin Seligman and Sir Anthony Seldon over the past few years. [Click here for more information.](#)
