KIDS CANADA

Please remember...

1. This is a new experience for the children so please be patient.
2. This is live theatre so anything can happen.
3. It's about the progress and not perfection.
4. Audience should cheer and applaud for everyone.
5. It is our goal to give you and your child a wonderful recital.
6. No flash photography as it can blind and distract the dancers.

Welcome to our recital

Thank you for joining us for today's performance. We are so grateful for the opportunity to be a part of your child's life through dance.

We hope your child has experienced love and care from instructors, learned life-skills such as taking turns, manners and kindness, as well as, enjoyed physical fitness and artistic expression.

At Dance Kids, we believe that confidence starts in kindergarten and that experiences like this one can help build happy, healthy and confident kids.

Sit back, relax and enjoy the show.

Mark Your Calendar: Dance Returns September 22, 2025!

New Tuition! In light of everything happening in the world – from rising costs to global uncertainty – we want to make it easier for your child to keep dancing without extra stress on your wallet.

📌 Starting this fall, tuition will be:

- \$48/month for 1 weekly class (ballet **OR** hip hop)
- \$68/month for 2 weekly classes (ballet **AND** hip hop)

Instead of paying \$48/month for each class (which totaled \$96/month), families now pay full price for the first class and just \$20/month for the second class. That's real savings – with the same great teachers, classes, and community your child already loves.

💛 We hope this makes staying in dance easy. As always, we're here to keep dance fun, affordable, and meaningful – for every child, every week.
