*Transforming Trauma into Resilience*

## SPEAKER + TRAUMA CHAPLAIN EXECUTIVE MENTOR

Emma Churchman is a spiritual and business leader with over 25 years of experience helping thousands transform trauma into hope and strength. Drawing from her own journey of overcoming childhood adversity, Rev. Churchman's work as a nationally certified trauma chaplain and executive mentor inspires resilience.

Her first book, *The Deep End of Hope in the Wake of Hurricane Helene* (2025, GracePoint Publishing), explores spiritual strength during disaster recovery. Her second book, *Unshattered* (October 2025, GracePoint Publishing), is a gripping memoir that follows her search for identity as the eldest child of a woman diagnosed with 123 personalities in the 1980s.

As a sought-after speaker and PhD candidate in Conscious Business Ethics, Rev. Churchman combines soulful leadership with actionable strategies, all from her mountaintop home in Western North Carolina.
