INTRODUCTION

This Candidate Information Bulletin (CIB) provides you with information about the examination and application process for obtaining a real estate license in the Commonwealth of Massachusetts.

THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The Massachusetts Board of Registration of Real Estate Brokers and Salespersons is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The Commonwealth of Massachusetts has retained the services of PSI Services LLC (PSI) to develop and administer its real estate program. PSI is a leading provider of test services to regulatory agencies as well as national associations.

All questions and requests for information about maintaining a license after the examination has been passed and the license issued should be directed to the Massachusetts Board of Registration of Real Estate Brokers and Salespersons. All other questions regarding your exam should be directed to PSI.

Salesperson and Broker Exams: Eligible candidates who pass both portions of the exam will pay for their license to the Board on their eLIPSE platform. Instructor and Teaching Methods Exams: Candidates receive only score reports but not license cards or wall certificates.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Division of Occupational Licensure, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen. Your comments regarding the questions and the examinations are welcomed.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If an error affecting examination scores is discovered as a result, which occurs very rarely, the examination scores of all affected candidates will be automatically adjusted. **This is the only review of the examination available to candidates.**

PRACTICE TEST

Now you can take the practice exam online at <https://test-takers.psiexams.com/mare> to prepare for your Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

SCOREREPORTING

You need to score a minimum of 70% to pass. Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type. You may request a duplicate score report after your examination by emailing scorereport@psionline.com.

LICENSING

LICENSEES WHO HAVE BEEN ISSUED A MASSACHUSETTS LICENSE IN THE PAST MUST RENEW OR REINSTATE THAT LICENSE. THEY MAY NOT BECOME LICENSED ANEW. IN THE EVENT THAT THEY DO, THE NEW LICENSE IS INVALID AND WILL BE VOIDED BY THE BOARD UPON RECEIVING THE NEW RECORD.

Real estate candidates who meet all the licensing requirements And pass the exam will then pay their licensing fee via the eLIPSE platform and will receive a digital license 24 hours after passing the exam. This applies to applicants taking the exam at a testing center or virtually. License fees are prorated in accordance with Massachusetts General Law Chapter 112, Sections 87XX and 87ZZ.
