WHAT'S HAPPENING TO YOUR BOTTOM LINE

- ✗ **C-Suite Burnout Epidemic** - Key executives having mental health crises that threaten company stability
- ✗ **Talent Hemorrhaging** - Losing \$150K+ per executive departure due to toxic crisis leadership
- ✗ **Decision-Making Paralysis** - Leadership teams freezing during market volatility, missing critical opportunities
- ✗ **Shareholder Value Destruction** - Stock prices dropping due to poor crisis communication
- ✗ **Competitive Vulnerability** - Rivals with resilient leadership systems capturing your market share
- ✗ **Operational Breakdown** - Cross-departmental collaboration collapsing under executive stress

"Emma's ability to understand and speak to our unique leadership challenges was remarkable."

## MOTIVATIONAL SPEAKER

### AUDIENCES CONSISTENTLY REPORT:

1. Increased comfort with difficult conversations
2. Greater self-awareness and emotional intelligence
3. Practical tools for managing stress and trauma responses
4. Permission to be vulnerable and authentic in leadership
5. Breakthrough insights about personal and professional growth

*"Emma has the rare gift of speaking truth with such compassion that **even the most difficult conversations become healing experiences**. She says what we're all thinking but are afraid to voice, and somehow makes it safe for everyone in the room to do the same."*

*"She **held my full attention for two straight hours**.  
Emma was the best speaker at the conference by far." WBENC Wellness Session*

*"Emma delivers **transformational speaking experiences** that address the unspoken realities of trauma in leadership and life."*

*"Emma delivered her keynote over lunch to a room with 700 people in it. Her message was so poignant that people stopped eating.  
**You could hear a pin drop.**" NVOAD Keynote*

**"I was on the edge of my seat the entire time Emma spoke."**
