

Sonout Alchemy *[zoneout alchemy]*

Handpan & Organic Beats

Handplayed – Live Looping Music

Sonout Alchemy is a Danish duo with handpan, gongs and live-looped drums. We create ambient atmosphere and organic pulse – a live alternative to DJs and cover bands.

Present and vibrant - Not too loud, not too fast, just enough to make you lean in.

Music for Great Conversations

Think: soundtrack to great conversations - energising, never intrusive.

Where does it fit?

- Receptions & networking events (conversation-friendly)
- Corporate dinners & award shows
