Dear Lisa,

RE: Credentialing Application Protocol (CAP)

It is with pleasure that we at the Natural Health Practitioners of Canada Association (NHPCA) inform you that the programs listed below has been credentialed with the NHPCA effective **September 11th, 2025**.

The following is a list of the programs that have been credentialed with the NHPCA, the hours we recognize and the designations we have given them:

Program Name	Hours of Training	Modality & Designation
Cupping for Manual Therapists Level 1	8 hours	Myofascial Cupping (S)
Cupping for Manual Therapists Level 2	8 hours	Myofascial Cupping (S)

The NHPC recognizes the practice of Myofascial Cupping at the Specialization level only. To gain recognition and liability insurance coverage for Myofascial Cupping, NHPC members must be recognized for a previously-learned Discipline (such as massage therapy for example) in which they have studied the prerequisite sciences (anatomy, physiology, kinesiology and pathology), assessment methods, deep tissue or remedial work, and related skills courses (ethics, professionalism, communication and practice management). Note: Certificates for facial and scar cupping courses are approved for continuing competency credits only.

If your school has changed the above program name, curriculum, or certificate please contact us for information on how to administer these changes.

Regards,

Aaron Yee
