

STUDENT ETHICAL AGREEMENT

Photonic Medicine Education / Photonic Therapy Training

GODTHJÆLP MAUGENDRE International Institute

This agreement concerns participation in the teaching of **Dr. Pascal Vidal, MD**, whom has partizipated in the **Photonic Medicine Education**, organized by **GODTHJÆLP MAUGENDRE International Institute (GMI Institute)**.

This agreement is signed during the teaching weekend of Module 2 and remains valid beyond the duration of the Education, wether you fulfill the ful education or not.

Declaration

I, the undersigned, confirm that I have participated in the above-mentioned training and have read, understood, and accepted the ethical principles presented by Dr. Pascal Vidal, MD and GMI Institute.

I acknowledge and agree to the following:

1. Legal Responsibility

I understand that it is my personal responsibility to comply with the laws and regulations governing healthcare practice in my country.

Neither Dr. Pascal Vidal, GMI Institute, nor affiliated instructors can be held liable for my professional actions or failure to comply with local regulations.

2. Scope of Practice

I acknowledge that:

- Only licensed physicians may diagnose medical conditions where required by law.
- Photonic medicine is a complementary therapeutic approach.
- I will not interfere with prescribed medical treatment or advise patients to discontinue medical care.

3. Patient Safety

I commit to:

- Working within my professional competence.
- Referring clients to appropriate medical professionals when necessary.
- Not treating severe or acute conditions beyond my scope of practice.
- Acting according to the principle: *Primum non nocere* – First, do no harm.

4. Professional Conduct

I agree to:

- Maintain confidentiality.
- Avoid exaggerated or misleading therapeutic claims.
- Act with integrity and professionalism.
- Respect medical collaboration and interdisciplinary cooperation.

5. Intellectual Property

All educational material provided during all modules is the intellectual property of Dr. Pascal Vidal and GMI Institute.

Reproduction, distribution, or teaching of the material without written permission is prohibited.

6. Duration of Commitment

This ethical commitment applies beyond the teaching weekend and remains valid in my future professional practice of Photonic Medicine.

I confirm that I have read, understood, and accepted these ethical commitments.
