# HEY THERE, I'M ROBEN-MARIE!

As an artist, instructor and woman of faith, my mission is to serve others and help them get the most out of their art as a hobby, or as a business. My own desire to learn and unquenchable curiosity keeps my fingers messy and my heart happy.

I have been a working artist for the last fifteen years, and am self-taught, so I believe that anyone can cultivate their creative spark. I've taught mixed media art workshops and retreats across the U.S. and my work has been featured in countless books and industry magazines.

Blessings,

*roben-marie*
