What's Happening at CCA

It feels as though Fall came and went too quickly, and we are already on to winter! As it continues to get colder, please remember to check for inclement weather delays and closings. Alerts will be sent through email, our Remind app, posted on local news stations and the CCA website.

November was full of fun including our Annual Family Fun Night that had about 40 attendees. This is always a great opportunity for our families to have a fun night out in a comfortable environment. Our students also celebrated Halloween and Thanksgiving with various parties, games, crafts and more. As we wind down 2019, we look forward to all of the great things to come in 2020. It's hard to believe we are already almost halfway through the school year! Each year brings more exciting changes that continue to improve CCA. We are thankful for all of your support over the years.

Family Fun Night

Our annual Family Fun Night was quite the success this year! We had over 40 attendees who helped us celebrate "CCA Winter Olympics." Staff, families, and friends gathered for a night of sensory friendly fun including themed games, snacks, and crafts! We are happy to host these events for our families twice a year. Look out for more information on our Spring Family Fun Night to come!

Halloween at CCA

Our students and staff had a great time celebrating Halloween with costumes, candy, crafts, bingo, and more! The students practice going door-to-door and trick-or-treating, while staff, and some older student helpers, handed out candy. Check out all the festive fun!

Building Changes

CCA is lucky to have a supportive community of staff, families, and friends. With their help we are able to make CCA its best. Recently, two of our Board Members and their families helped give our annex a fresh look by redoing the siding. Take a look at all of their hard work.

Thanksgiving at CCA

There was no shortage of thankfulness at CCA this Thanksgiving. Students and staff showed their gratitude and support of the community by organizing and contributing to a canned food drive to support The Healing Center. Our Express class hosted their families for a home cooked Thanksgiving meal, complete with a beautiful table setting. All of our staff and students partook in a Thanksgiving Scavenger Hunt, which taught about the origins of the holiday, and included fun games and activities. We are happy to have so much to be grateful for!

CCA Fitness

CCA has launched a new Fitness program, aimed at meeting the specific needs of our students. The Express and Superhero classrooms have been enjoying playing games and working on teams to learn about the importance of fitness!
