\*reboot your operating system.

For globally-minded leaders drowning in responsibilities and options looking to identify their long-term goals, next step or ruthless priorities to accelerate their success, and gain freedom from the status quo, firefighting and overwhelm.

Discover the attitudes, behaviors, and perspectives that are holding you back, strategize new approaches and draft new systems to identify, align and achieve your personal and professional goals one-on-one with me.

### Included:

1. 90-minute virtual intensive strategy session to identify your current way of operating, priorities, gaps (opportunities for growth), goals and next steps to overcome your current challenges to thrive.
2. Highly validated assessment to accelerate awareness of your gaps and strengths
3. 20+ page assessment interpretation document
4. Strategy Google Doc to help you gain clarity about what matters most for your success. It will help you stay focused on your initiatives, conversations, and the key relationships that will have maximum impact on your progress even after our sessions.
5. 2 x 45-minute virtual follow up sessions on initiatives and coaching to help you move forward with accountability
6. Email and WhatsApp text access between sessions
7. Access to additional implementation and coaching sessions at a discount

**Time Commitment:** Your results are directly related to the time you dedicate to reflecting and completing your Strategy document. Most individuals spend 2-3 hours reflecting and preparing for the intensive and each follow-up session.

**Duration:** Additional sessions must be completed within 3 months of the intensive.

**Investment:** \$979.00
