

7 Keys to building a dream team...

The 7 KEYS to building a Dream Team:

- 1. Communicate Vision** - Talk about the vision and the values of your company every time you get a chance. Review your core values . Remind your team members why they want to work with you. Give employees a reason to come to work—besides a paycheck.
- 2. Create Culture**- Your culture is your Brand DNA. What do you stand for? Make sure you know the pulse of your company, guard & protect it!
- 3. Coordinate** - Know the strengths & weakness of everyone on the team and coordinate them into the right role
- 4. Clarity**- Where are you going, what are the steps? Make sure all your plans & goals have CLEAR steps!
- 5. Consistency**- Create consistent structure in how the steps are measured
- 6. Communication** - Even in today's world of virtual teams, in many time zones , you MUST communicate
- 7. Constructive** - give real feedback , lift up, take responsibility
- 8. Celebrate** - REMEMBER to have fun
