

Kennedy Auditorium
Xavier University

8:00AM -5:00PM

March 21st
Saturday

8:00AM- 3:00PM

March 22nd
Sunday

There is a World of Stress you might not have heard of: Evolutionary Stress. The kind our body needs and makes adjustments to, but these adjustments can come at metabolic and developmental costs.

Come join researchers and advocates as we explore the complexity of autism. Taking a view of autism as a Complex Adaptive System. We will be exploring the challenges, advances in research and new ways of looking at autism to devise a better synergy of solutions for adults and children.

Tickets for Conference & Story-Tellers Event : \$150

Saturday Night Wine & Cheese Story-Tellers Event (Stand-alone Ticker): \$25
