

An Evening With

TEMPLE GRANDIN

Wednesday, April 22, 2020 - 7:00pm
The Covelli Centre - Youngstown, OH

Come spend an Evening with Dr. Temple Grandin, professor of animal science at Colorado State University and past member of the Board of Directors of the Autism Society of America. An award-winning lecturer on her experiences with autism, her articles and interviews have appeared in the New York Times, People, 20/20, The View and the BBC. She was also honored in Time Magazine's 2010 "The 100 Most Influential People in the World."

About the Event Host: The Paula and Anthony Rich Center for the Study and Treatment of Autism combines the latest in autism research with the newest and most innovative theories in education to help children with autism reach their full potential. Our mission is to improve education experiences and outcomes for individuals with autism and their families through teaching, research and community engagement.
