

WHAT IS THE I MATTER FRAMEWORK AND WHY IS IT NEEDED? AN INTRODUCTION

OVERVIEW:

The Introduction session offers you a fast paced exploration of the background to the I Matter Framework and why it is needed. The intention of the I Matter Framework and the linked training process is to support improved outcomes for children who are struggling or challenging and their families. However the first step is to understand what some of the everyday experiences of children and families and professionals actually are

INTRODUCTION

The Introduction is intended to interest you in the longer I Matter Journey which offers a personal and professional development process

STAGE 1: Direct Roles At Stage 1 you work through a process of learning keeping a focus child in mind. **STAGE 2: Supporting Others**: Stage 2 offers opportunities to complement your existing skills with opportunities to support others on an I Matter Journey

THE I MATTER INTRODUCTION IS FOR

+ Any parent who wants a deeper understanding of how to help a child with typical or additional needs

+ Any professional in a front line role supporting children who struggle or challenge with additional needs

+ Professionals working with parents who are concerned about children who struggle or challenge The training and approach is for practitioners in education with responsibility for pastoral support,

safeguarding, SEN, Mental health champions as well as GP's, Health Visitors, School Nurses and Social and Community Workers. I Matter Thinking supports whole-setting thinking and targeted work

TRAINING STRUCTURE:

The Introduction session offers 3 formats 90mins Half Day (3hrs) Full Day (6hrs)

COURSE COMPRISES:

BY THE END OF AN INTRODUCTION WORKSHOP

Participants will have an awareness of the I Matter Framework and the way that it can support decision making in professional and personal roles
