

## ABOUT THE I MATTER MEMBERSHIP SCHEMES

### SUPPORTING RELATIONSHIP HEALTH PRACTICE

#### OVERVIEW:

I Matter Membership is intended to support professionals and parents in taking forward the issues of Relationship Health Practice – either at home or in professional roles.

The I Matter Training Journey is designed as a step wise systematic process. A lot of the core content is now provided through the structured learning courses. However we know that best value is obtained from an I Matter Learning Journey – or I Matter Challenge - when there is

- i) A clear focus on some desired goals
- ii) Opportunities for discussion and reflection

#### MEMBERSHIP TYPES

We have four interlocking membership schemes

- i) Friends of the I Matter Framework – open to all
- ii) Core I Matter Relationship Health Practice Network – for those who have completed the First Steps (parents) or Intensive Course (professionals)
- iii) Extended I Matter Relationship Health Practice Network – for those wanting more intensive support with their I Matter Challenge or pursuing Certification
- iv) Organisational Membership – for organisations who have 2 staff who have completed the I Matter Intensive and who want to progress with the I Matter Organisational Awards and with opening up referral pathways for parents-carers.
