

CHRISTMAS TIME

By A. Pearton

C Gm
May all the lonely people who at Christmas time
 C Gm
Feel sad and have no friends on whom to call
 A^b E^b
Find love within themselves and find they are
 A D
Embraced by all

C Gm
And when the lonely people who at Christmas time
 C Gm
Stay home with nothing much to do
 A^b E^b
Their neighbours knock and they invite them home
 A D
And peace is felt by all

C Gm
And when all the good people who at Christmas time
 C Gm
Play fair and share the bounties of their lives
 A^b E^b
Then love will rule the world and there will be
 C^b D^b E^b
Peace for all
 C^b D^b E^b
Peace for all
