Business Alchemy = I + C + C

I: Intention

C: Container

C: Creation

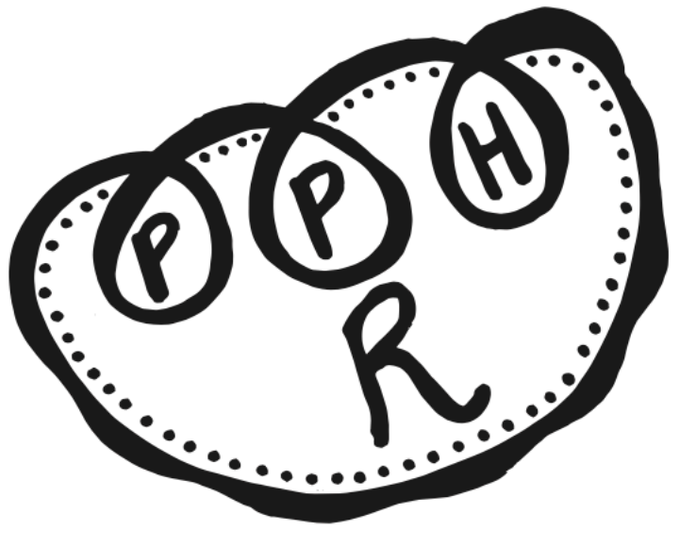

A Framework for Blessing

Polish Place Honor Repeat

Polish, Place, Honor, Repeat—

Whether you are working crystal grids, altars, or any other practice to weave intention into the material world (or, "the real world," as some would call it), you can use the mantra "Polish, Place, Honor, Repeat (PPHR)" to bring yourself into presence and create holiness from the mundane. As a mystic methodology, PPHR mimics the ceremonial process of creating an altar, but it actually allows you to infuse any object, project, activity, or creation with a sacred intention.
