Manifestation for Business

- **The Mystics Society (and so much of what we do) is exactly this**
- **All year - every month - every week - every day**
- **Money Magic and Meaning - it's what we do**
- **New Paradigm Business - you are here now**
- **You & Your Business are in Cocreation**
  - **You are distinct but weaving**
  - **You are "manifesting all the time:**
  - **Therefore….so it your business.**

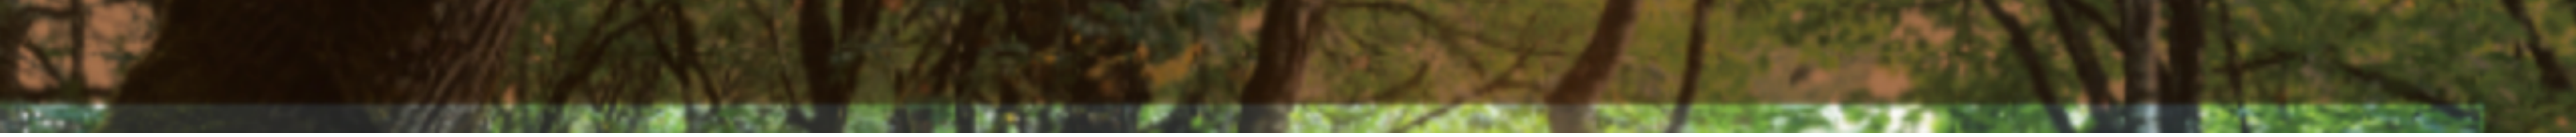

…then what is manifestation? and how does it work?

First - grant yourself Permission

- You are already doing it
- It's more than "the Secret"
- You have your own manifestation thumbprint or patterns
- You can hone the practice of aligned or <u>intentional</u> manifestation

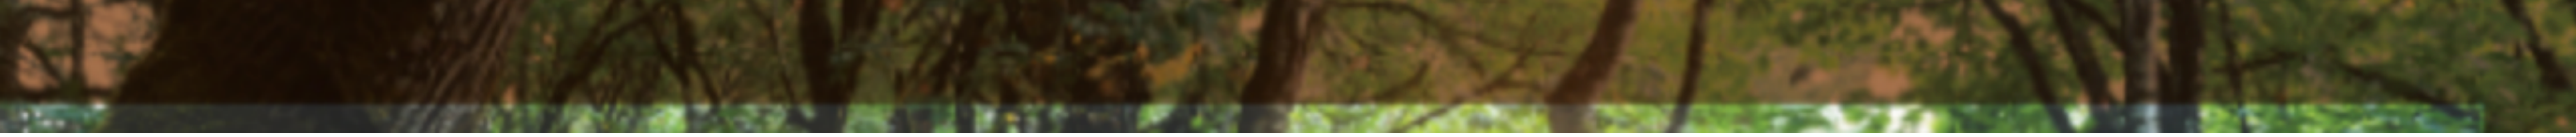

Manifestation or Co-creation is accessible to all of us.

Manifestation #Truths

- It’s very simple
- But multi-faceted
- 80% Frequency (thus LOA)
- But 20% Surface area (or conditions)

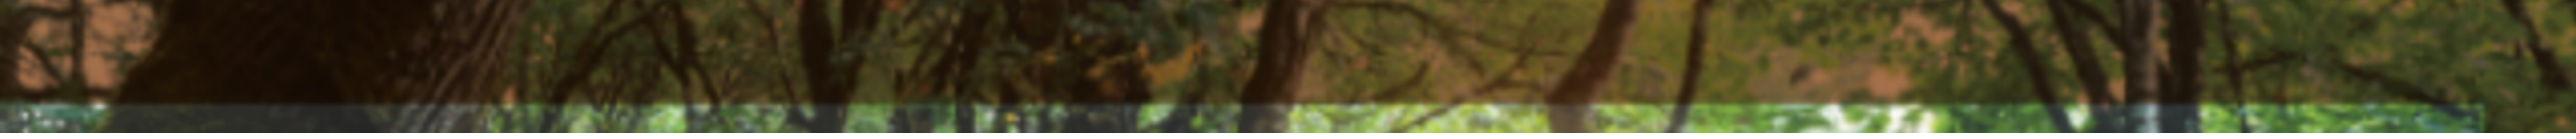

Manifestation is governed by universal laws and “truths”

Elements of Manifestation

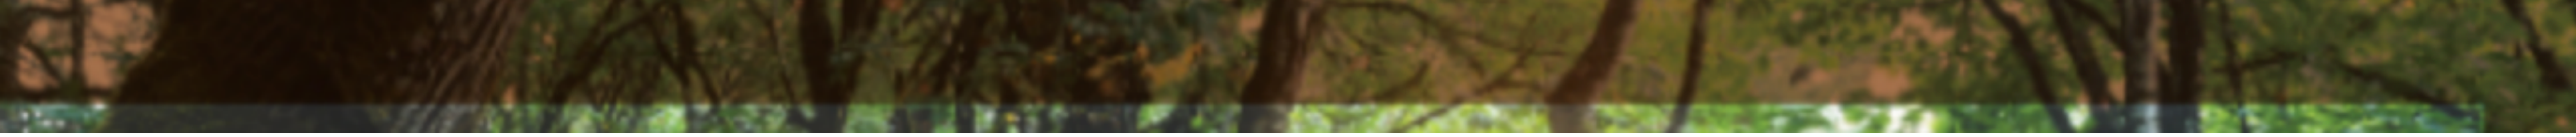

- Words
- **Vision**
- Intentions
- Permissions
- Thoughts
- Emotions
- Energetics
- Resonance
- Presence

Manifestation is a combination of will and circumstance, frequency and surface area…

Magic Triangle

The key to making magic in life, business and beyond…

Alchemy = I + C + C
I: Intention
C: Container
C: Creation

Intention

In spirit…
~ Intention
~ Desire
~ Vision
~ Expression

Container

In form…
~ Spaces
~ Altars
~ Programs
~ Circles
~ Website, etc.

Creation

In motion…
~ Aligned Action + Alchemy
~ Actual steps
~ Leaving room for Magic!

The Prism Process

Start here: State your desire

Step 1: How will manifesting that desire make you feel?

Step 2: How can you create experiences that evoke those feelings for you?

Step 3: How can you create visual cues that support those feelings for you (vision board? words on your bathroom mirror? a screen saver on your iPhone?) These are little visual reminders that catch your attention and remind you of your desire

Step 4: How can you speak your desire out out and be witnessed?

Step 5: How can you give the very thing you seek (get creative with this one - it is super powerful)

Step 6: how can you source gratitude from right where you are - and in so doing continue to align to the perfection in this moment - as all manifestation happens right here in the NOW.

Together these steps create a "prism' of your desires. A multi-faceted beatutiul custom experience in support of what you are calling in. The prism process is a fun, gentle way to invite fruition of your goals and desires.

Thriving, Resonant, Prosperous

Keys To Peacemaking

1, Peacemaking Principles: Building on the Four Agreements

2. Speaking Unspokens

3. Bridgewalkers

4. Whole-isitc You

5. Right Livelihood

6. 8 Directions, Transformation, Personal Truth, Energetics.

7. Resonance - Authentic, Congruent, Aligned

What is "Right Livelihood?"

"Right Livelihood is your birthright…"

RL = SPP + SC + NPL

SPP = Soul Purpose and Path —-> Why you're here

SC = Sacred Commerce —-> Compensated Divinely in your gifts

NPL = New Paradigm Leadership ———-> Stand in your truth

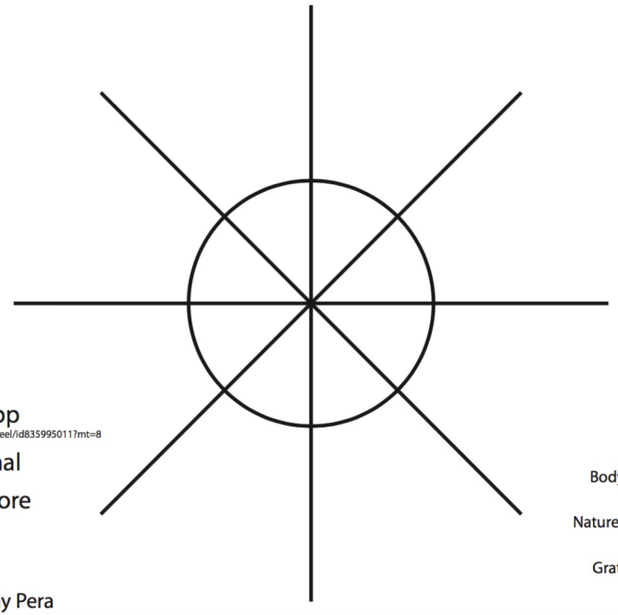

The outcome is you know why you are on the planet, you are standing in your leadership in your gift and truth, and getting paid really really well to do it.
