RECAP - Manifestation for Business

- The Mystics Society (and so much of what we do) is exactly this
- All year - every month - every week - every day
- Money Magic and Meaning - it’s what we do
- New Paradigm Business - you are here now
- You & Your Business are in Cocreation
    - You are distinct but weaving
    - You are “manifesting all the time:
    - Therefore….so it your business.
- Your INTENTION matters (revisit Magic Triangle)

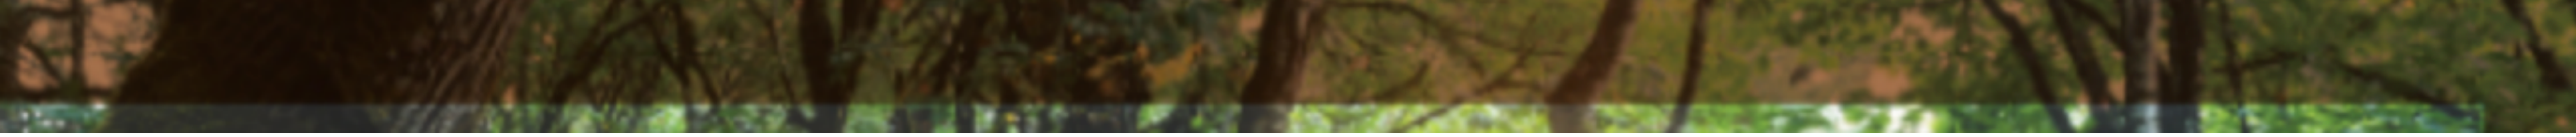

…then what is manifestation? and how does it work?

First - grant yourself Permission

- You are already doing it
- It's more than "the Secret"
- You have your own manifestation thumbprint or patterns
- **You can hone the practice of aligned or <u>intentional</u> manifestation**

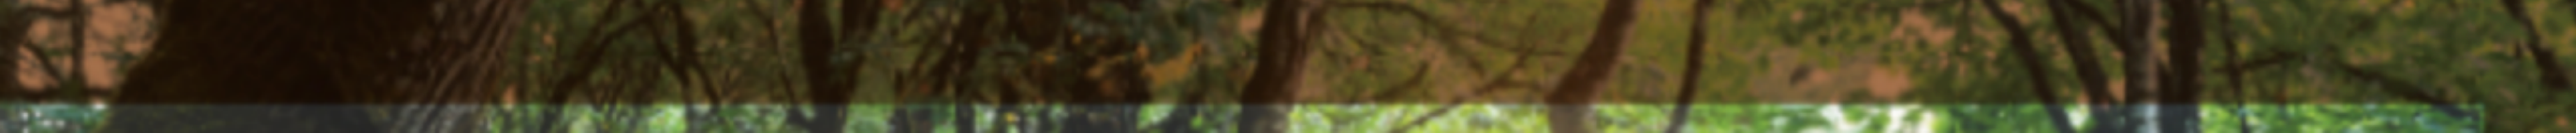

Manifestation or Co-creation is accessible to all of us.

Manifestation #Truths

- It’s very simple
- But multi-faceted
- 80% Frequency (thus LOA)
- **But 20% Surface area (or conditions)**

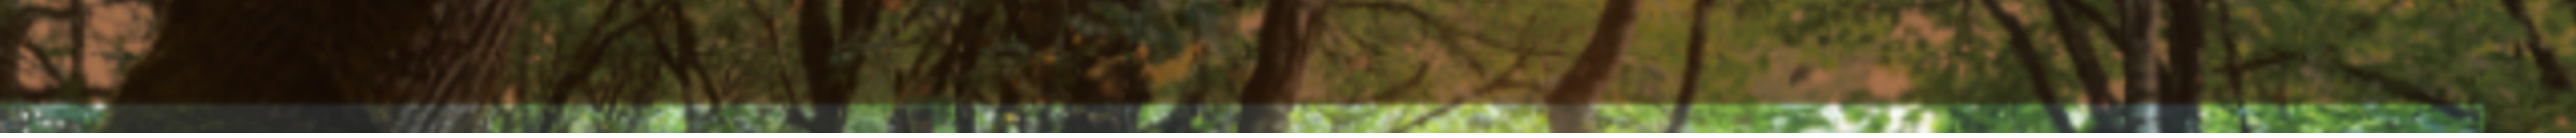

Manifestation is governed by universal laws and “truths”

Magic Triangle

The key to making magic in life, business and beyond…

Alchemy = I + C + C
I: Intention
C: Container
C: Creation

Intention

In spirit…
~ Intention
~ Desire
~ Vision
~ Expression

Container

In form…
~ Spaces
~ Altars
~ Programs
~ Circles
~ Website, etc.

Creation

In motion…
~ Aligned Action + Alchemy
~ Actual steps
~ Leaving room for Magic!

The Prism Process

Start here: State your desire

Step 1: How will manifesting that desire make you feel?

Step 2: How can you create experiences that evoke those feelings for you?

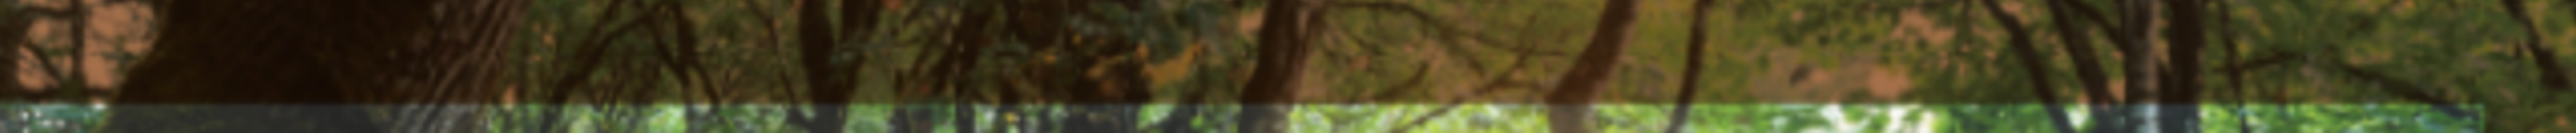

Step 3: How can you create visual cues that support those feelings for you (vision board? words on your bathroom mirror? a screen saver on your iPhone?) These are little visual reminders that catch your attention and remind you of your desire

Step 4: How can you speak your desire out out and be witnessed?

Step 5: How can you give the very thing you seek (get creative with this one - it is super powerful)

Step 6: how can you source gratitude from right where you are - and in so doing continue to align to the perfection in this moment - as all manifestation happens right here in the NOW.

Together these steps create a "prism' of your desires. A multi-faceted beatutiul custom experience in support of what you are calling in. The prism process is a fun, gentle way to invite fruition of your goals and desires.

Manifestation Life Cycle

Notes:

- Start in the North East
- Allow yourself to go around and around the wheel
- Take note of what happens in your mind / body / spirit as we go around the wheel
- Notice how each turn informs the next - more refined, more resonant, more true
- Think: Nautilus….

Bringing your lifecycle into form…

Manifesting in form is all about creating surface area

- Gratitude - first and foremost
- Presence: Right Here, Right Now
- Intention: Use the wheel to hone & refine
- Practice: Design Core Routines
- Visualization: Designate a “surrogate”
- Honor it: Sacred Space
- Ritual: Magnetize & Activate
- Bless: Yes, Thank You, More Please
