

The Systematic Literacy Block

Instruction that gets every early
years child on the road to reading

This 4 week program will walk early primary teachers step by step through creating a literacy block to get every child in their class on the road to proficient reading

The Systematic Literacy Block program runs on:

Thursday May 6th, 2021

Face to Face Session, Burnie Library - full day

Wednesday May 12th, 2021

1 hour Zoom Group coaching call (after school hours)

Wednesday May 19th, 2021

1 hour Zoom Group coaching call (after school hours)

Thursday May 27th, 2021

Face to Face Session, Burnie Library - full day

This hands on , practical program is suitable for:

- early years classroom teachers
- school based team leaders and senior teachers
- school leaders
- non-teaching curriculum advisors servicing a number of schools

Two full day sessions to build understanding and practical skills

Group coaching Zoom calls ensure that participants receive support as they take action

Weekly check-in emails to provide ongoing tips

Online forum to enable questions to be asked and answered throughout the 4 week program

Practical, hands on experiences to ensure that teachers feel equipped for success

Opportunity to network and build collaborative relationships with other teachers

Jocelyn Seamer
Education

By the end of this program you will have:

- An understanding of how the 'big 6' of reading instruction can be brought to life in your classroom
- Learned about, practised and delivered systematic, explicit phonics lessons that include phonemic awareness and spelling
- Taught irregular, high frequency words in a way that supports all students' learning
- Assessed student phonics skills and used the data to plan for the next teaching steps
- Used decodable texts/passages in lessons to give students the opportunity to practice effective decoding
- Used a systematic, explicit approach to daily shared writing.
- Differentiated instruction to meet the needs of the students in your class.

Outline of Sessions:

Face to Face Session 1:

Fundamentals of the science of reading
The alphabetic principle
Teaching a phonics lesson

Zoom group call 1:

Irregular high frequency words / coaching support

Zoom Group Call 2:

Assessment / coaching support

Face to Face Session 2:

Using decodable texts and passages
Shared daily writing
Create an action plan for the rest of the term
