VELOCITY DANCE TEAM

We are excited you have shown interest in our competitive dance team for the 2021-2022 season! Our team is for dancers ages 5-17. The team strives to create a nurturing experience to dancers looking to grow their dance training. Dancers are to train in a variety of styles: ballet, tap, jazz, hip hop and tap. Our team promotes poise and self-esteem while maintaining a family friendly environment. Dancers and parents create long lasting friendships through the experience of being on the team. Dancers will compete at 3 competitions and will also have opportunities to perform at local events such as festivals, parades, etc. They will also get to attend a dance convention and take master dance classes!
