

Performance Group 2021-2022

AUDITION INFORMATION

Performance Group

We are excited you have shown interest in our recreational dance team for the 2021-2022 season! The Performance Group is for dancers ages 5-17. The team strives to create a nurturing experience to dancers looking to grow their dance training. Being in Performance Group gives dancers opportunities to perform multiple times throughout the season in addition to the annual recitals. Dancers are required to take 1 jazz or ballet class and the weekly Performance Group class. The Performance Group class meets every Wed. 6PM at the East Sacramento location. The Performance Group has performed at the Golden One Center, local festivals, Sac State sports events and other local events! We would love for you to join our 2021-2022 dance family!
