# Awareness

*from*

Being fully  
aware is a kind  
leader's special  
tool.

Self-aware, as  
well as  
awareness of  
others.

It's a switch  
you must seek  
to turn on.

Why?

w i l l   m i s s .

A   b i g   m i s t a k e .

A n d . . .

This will  
lessen the  
clues both  
about  
yourself, as  
well as those  
around you so  
vital to  
appreciate  
needs.

For you.

And them.

Clues to  
enable you to  
respond with  
kindness to  
your own  
needs (not to  
be under-  
estimated), as  
well as those  
of your  
people.

What's more...

When your  
awareness is  
fully tuned in,  
you will make  
different,  
kinder  
decisions.

Which will be  
based on the  
your and their  
needs at that  
moment - and  
beyond.

Being curious  
about what you  
become aware  
of, will open  
doors you did  
not notice.

Kind leader  
skills that will  
enable greater  
achievements.

For everyone.
