# Inclusion

*from*

Inclusive Kind  
leaders  
embrace  
everyone in  
their team as  
valued  
contributors.

They recognise  
and celebrate  
the qualities  
of every  
individual.

Why?

To ensure that  
the full range  
of different  
skills,  
character and  
potential of  
everyone  
creates a  
rounded  
resource to  
help deliver  
success.

And...

To help  
everyone feel  
personally  
valued for the  
abilities they  
bring.

The Kind  
leader ensures  
they see past  
their own  
biases to  
include  
everyone.

The inclusive  
Kind leader  
flexes their  
own style and  
preferences to  
gain the value  
of difference,  
enabling  
everyone to be  
recognised for  
their  
individual  
gifts.

What's more...

The inclusive  
Kind leader  
achieves more  
novel help,  
through as  
varied  
perspectives  
they can get.

Including  
everyone is a  
huge benefit.

As a Kind  
leader, being as  
inclusive as you  
can is one of  
the kindest  
things you can  
do for everyone.

It benefits your  
people, you,  
and the whole  
organisation  
too.

Three steps you can take today.

1. Notice people you feel very different to, & what they bring.

2. What are you less good at, that others are.

3. Which one person will you get to appreciate better?
