

Slide & Stand Card

Handout created by Shaunna Richards, CTMH Maker, Sept 2021

Z5024 Adhesive tape

Supplies (measurements are given as width x height)

Plain cardstock

- 4 1/4" x 11" (Base)
- 2 7/8" x 5 1/2" (Pop up panel)

Patterned Paper

- 4 pieces, each 4" x 1 1/2"
- 2 pieces, each 4" x 3/4" (this can be the reverse pattern of the paper)
- 2 5/8" x 5 1/4"

12" Trimmer

Scoring Blade

Bone Folder

Z3441 Dual-tip Multi-bond Glue Pen

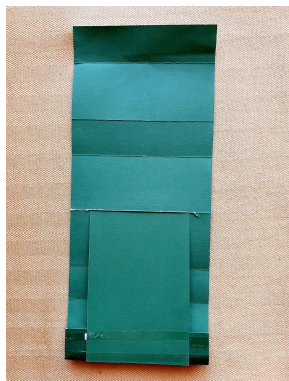

Prepare Base

1. Score largest piece of cardstock in landscape view at
 - 10", 8 1/4", 7 1/4", 5 1/2", 3 3/4", 2 3/4", 1"
2. At the 5 1/2" mark, cut from 1/2" to 3 3/4" to form slit for pop up panel to travel through
3. Fold on each score line

Construction

1. **Decorate pop up panel before assembly.** Leave top 1" undecorated if you want the image to be a surprise. Leave lower 1" undecorated as it will be glued to the back and won't be seen. Write message on reverse.
2. Do not include any dimensional elements as these will hinder ability to slide
3. Add strips of double sided tape to 1" sections at top and bottom of base piece
4. Use liquid glue to attach patterned paper to each panel of base piece
5. Flip base and slide panel through slit
6. Fold up bottom panel. Remove tape backing
7. Attach pop up panel face down with lower edges even fold
8. Add sentiment as shown
9. Optional – add a pull string or tab to top of pop up panel
