The Alliance of Divine Love Newsletter

## Welcome 2022!

### Welcome to the January Rose!

On the Celtic celebration of Imbolc, the Goddess Brigid reminds us that the winter weather and our winter state of mind are still very much with us. We continue to desire hunkering down, staying within, and germinating those seeds of our coming springtime creativity. Like small spots of grass appearing on a still-snowy, gently melting landscape, we can hold the pleasures and wisdom of both our rooted depths, and our budding lightness of being.

## The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

## *Accolades for* **Alliance of Divine Love**

"I just wanted to say that I am beyond impressed with our new Rose newsletter, as well as all the other additions to the ADL website! I love the personal message I get when I sign in ... It lifts me up. You are all doing an amazing job ... Giving growing ministers and masters many more opportunities for coming together in spirit, mind and body. I have always been thrilled to be an ADL Minister and this is beginning to fill the missing piece ~ that I didn't even realize was needed ~ a greater sense of community."

*Many thanks and blessings,
