

Walking the Path of Gratitude

The Voice of the Heart

16-20 march 2022

wed 2 pm - sun noon (12:00)

Villa Ekenäs, Otterbäcken, Sweden

Be what you are!

Clear the stories you bought into from your childhood and live free in your creation of your everyday life. Bring back your power of choice and flow according to your own rhythm

During these days we will bring back our power of our own creation.

We will dive in to all the times we have made someone else's reality more important than our own.

We will bring back our responsibility over our own life and our own body to ourselves and learn tools to step into-

Non- judgment - Non- attachment - Non- suffering

so we can walk softly on earth in this lifetime.

Step back into your innocent neutral child and create from a place of "everything is possible, the world is a benevolent place"

Through energy medicine, teaching, sound, meditation, indoor & outdoor ceremony, deep connection with nature & the elements we remember and reactivate our infinite, higher self so we can dream into being an extra ordinary reality.
