THE ROSE The Alliance of Divine Love Newsletter

Spring is bustin' out all over! Flowers, bugs, sunshine, warm breezes, baby everythings!

Join us as we shed the winter doldrums and take in the excitement and aliveness of this season. How many new beginnings can you count in your life right now? A new move, a new member of the family, a wedding, a new job, a new health regime, a new group of friends, or even "just" a new self-image? A wise teacher once said that If we inject positivity and high expectations into the very first thoughts of the day, the Universe has no choice but to reflect that energy back to us through more loving, kind and joyful experiences. Let's begin this new season with the forward motion of positive belief, and align ourselves with the Greatest Degree of Love!

JANET KAY DARLING

The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

Gnostic Truths and a New Vision of Easter

by Rev. Therese Inzerillo

In this talk, I share excerpts from the Gospel of Thomas demonstrating the authority of the Divine within and all around us, as well as shining a light on Jesus' demonstrations of love and how, we too, can transcend the obstacles and challenges in our lives to embody our Christ nature.

Hot Wheels Weekend Transformation

By Rev. Brian Kirsch

OK, Who here has ever seen or played with Hot Wheels?

What has Hot Wheels got to do with me and my spiritual journey? ...and more importantly, how can I make it part of my spiritual journey. I mean it sounds like it could be a fun trip to take!

So back years ago, little Harold walks into the toy store. The display of these cool futuristic looking cars captures his attention and more importantly, his imagination. He knows Mom's not just going to offer to buy him one of the cars, let alone some orange flexible track...
