

THE ROSE

The Alliance of Divine Love Newsletter

Nature's Outburst

This month, we witness the pinnacle of Nature's annual energetic outburst, as the sun begins its journey down to the Southern Hemisphere on June 21, the Summer Solstice. While we may not be consciously aware of this shift, our Souls are attuned to the Universal Inbreath/Outbreath directing this movement, and we cooperate individually with its rhythm. Just as the plant in this picture is powerful and vibrant in its reach toward the Light, so are we encouraged toward full-on accomplishment this month. Now is the time for focus, courage and determination to reach our heart's goals, ensuring that we fulfill our purpose and finish strong.

How to Make the Most Out of Your ADL Website Experience

There are a variety of support resources for our website users.

Here are 4 different ways to access these resources:

- 1.) Go directly to the **ADL Support** site: <https://support.allianceofdivinelove.org/>
- 2.) On the top/main menu on the Home Page, go to: **More... > Support & FAQ**
- 3.) You can also get to it by clicking on your **profile icon** and selecting "**Support**".
- 4.) Click on the **question mark icon** located on the bottom right corner of every ADL page. Here you can use keywords to search or also submit a **Support Request**.

These all lead to essentially the same place, which is the ADL Support section of the website.

We hope that this tip will set you up for a more enjoyable website experience. Be assured that we are continuing to work on streamlining the system to make it more user friendly and will update you as developments unfold.

The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

When There Are No Words...

by Rev. Dr. Karen Turek, D.D.M.S., Ph.D.

As I reflect on the mass murders in Texas this week, a sense of numbness that turns into uncontrollable weeping, brings me to my knees. When I close my eyes, I see their sweet radiant faces and feel the fear that they must have felt in their last moments before they were released into God's merciful care. And the families, the community, how...

Squirrel Call

by Rev. Mary M. Robertson

Riding my bike through a nearby nature preserve I hear the unique sound of a squirrel, which my mind immediately, and poetically, labeled scolding. I caught a thought. Maybe there's another interpretation. Maybe it is the sound...

About Grieving: How do I manage my grief in a healthy way?

by Rev. Dr. Karen Turek, D.D.M.S., Ph.D.

There are no universal guidelines for navigating through grief, it is a very personal journey. With that being said, there are some basic truths that may resonate with you and support your journey as you navigate your path of healing.

Lean into the Pain

Feel what you need to feel! Allow time to heal from the inside out. Grieving takes work, it is unpredictable, and it is most likely unlike anything that you have experienced. Your heart has suffered a great...
