Liberty & Justice For All

The image of one's national flag waving smartly in the wind, brightly colored and laden with symbolism, inspires an upwelling of love, national pride, nostalgia, celebration and belonging to something greater than ourselves. It reminds us that nations are founded on the highest principles that its citizens can perceive and express. Likewise, ADL is founded on principles reflecting Divine Love in action.

In ADL, we affirm in Book 1: God is Love, Love is the highest Law of the Universe, all other laws are subordinate, all words of Love are Words of God, violence is not in accord with Love, we give our souls to the task of attaining both inner and outer peace, death is an illusion and Life is eternal. May we live up to these principles and dedicate ourselves to manifesting them in our national life (whatever nation you live in), with liberty and justice for all.

The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

by Rev. Dr. Barbara Selwa

Message from our founder, Rev. Dr. Selwa

Hi, beautiful souls, I am writing to you today from sunny, hot Florida. Sure it's hot. And today I have a message for all you lovely ministers from my Angel, SD, the beautiful.

SD said,

"This time I will begin by writing and speaking from my planet. An age-old scripture of Love. Love is never kept, never bottled. It must always move or flow. Thus the GREAT ONE LOVE...

Forgiveness is Freedom

by Rev. Dr. Karen Turek, D.D.M.S., Ph.D.

Forgiveness does not mean condoning hurtful behavior, but it does involve the tricky act of letting go of the past. Resentment literally means to re-feel or feel again... and again. It saps our energy and allows us to be controlled by another whether they are alive or have made their transition...

All is Good. All is Well.

by Rev. K. Anthony Gogue

Preparing for the Memorial Day Weekend gathering was quite an experience, after all, it was going to be one of the first public ADL events where people were able to reconnect in person since the start of the COVID-19 pandemic. We, as humanity, have all experienced a long, nearly two-year journey in fear, illness, lack, pain, restlessness, social isolation, and other things directly tied to many spiritual lessons. We were essentially forced to go within to heal our inner issues, and re-evaluate the way...
