

## You **CAN** Have What You Want

1. You **can** see the number of people you want to per week. How many is that?
2. You **can** charge what you want. How much is that?
3. You **can** choose your schedule. Which days & what hours?
4. You **can** choose your ideal office location (online vs. in person, home office, office in an office park, etc.). What is it?
5. You **can** choose your niche. What is it?
