The Alliance of Divine Love Newsletter

SEPTEMBER 2022

As the first leaves drift down from the trees this week on a winding mountain road, change is in the air. There's internal pressure to shift gears toward clear-cut resolutions of the ideas and activities we've been working on. The wildness of summer is winding down to harvest time and we want to finish things. The Autumnal Equinox of September 22 is coming our way.

ADL plays its part in this yearly dance as we solidify changes in our mentor process and our minister studies application process. Our Board of Trustees has taken a different form from last year. The Founders Council and Spiritual Examining Committee keep us on track. The Education Committee and Internship Subcommittee oversee our mentor and minister training. The Marketing Committee is full of new ideas. A new generation of ministers joins our ranks. Our Events Calendar is filling up, and the Prayer Ministry is active and effective. More ministers are in the process of creating course content. The Florida Chapter, always strong, holds regular community service events and conferences. The Heartland...

### Submitting Content Worksheets

*In promoting spiritual awakening and the messages of our ministers, we invite you to share articles, videos, and other creations on our website blog by submitting a content worksheet.*

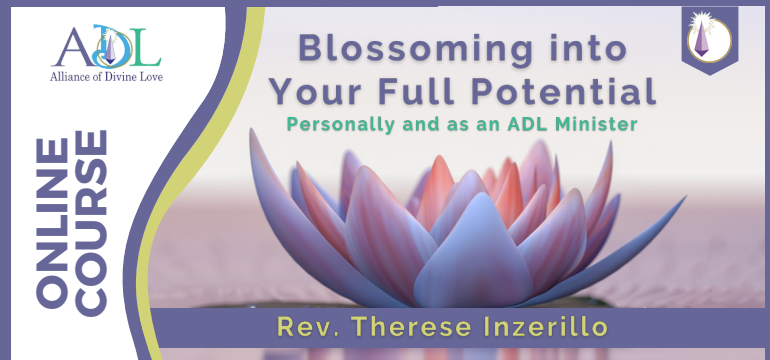

After your initial "first" content submission, the system will "remember" you. It will load your most recent content submission worksheet every time that you attempt a NEW submission. You will need to click "**Start with a clean worksheet**" or you will overwrite your previous entry and we will not be notified of your new content submission. Also, remember to "**Save Worksheet**" in order to complete the process. We look forward to receiving your inspirational work.

## The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

## A Special Message from Rev. Dr. Karen Turek To All Ministers

by Rev. Dr. Karen Turek

Beloved Fellow Ministers,

As many of you know, especially if you are an active prayer warrior on the Angel Squad, I have been experiencing significant health matters that have required me to step down from the Board of Trustees. This was a very difficult decision, but one that was necessary for me to focus my complete attention on healing and wholeness.

I want to thank each of you for your loving support during my short, but very active...

## Founder Musings: Love's Gentleness and Openness

Rev. Dr. Barbara Selwa

Hi, this is Barb Selwa, Co-Founder of ADL. With me is my guide, SD, a high Angel. He speaks through me.

Let's emphasize Love's gentleness and openness. When we change proceed with kindness and love, for example. And this should go with everyday life for you, kind and loving...

## Who Wants to Say Grace?

by Rev. Rita Scheibeck

Sitting around a table, ready to eat a meal with family and friends, I have heard this question hundreds of times. This used to make me feel a little uncomfortable (and sometimes still does) because of the huge differences between my family's staunchly traditional religious practices and my own vastly diverse spiritual beliefs.

While in some cases I may not offer to speak the words of grace aloud, I am...

## My Transformation Into Oneness

by Rev. Rita Scheibeck

The chatter that sometimes fills my mind is like a small patch of leaves that is easily blown away by a gentle summer breeze. When I focus on my breathing, I let outside disturbances float in and out of my consciousness: the neighbor's lawnmower, the gurgling of the ice maker, the delivery truck in the street.

As I allow the leaves of distraction to drift away, I make room in my awareness for the knowledge that I am One with All-That-Is. My realization of Oneness...

**Continued**

(cont'd. from pg. 1) Chapter is gearing up for interfaith and Thanksgiving events. The Carolinas Chapter is awakening to new growth. The Pledge Drive fuels our goals to serve. Angel Squad meetings have multiplied to twice per week. This is exciting stuff! This has been a year of deep transformation for ADL, and the results are starting to pour in. Our harvest is Divine Love because that is what we have planted. May we all share in the abundance that we, as ministers, have so diligently and selflessly brought forth.

## *Accolades for* **Alliance of Divine Love**

"I want to give my most sincere thanks to Diane Baker of the ADL National Office for so many things. Diane is always my go-to person whenever I need assistance with any questions or concerns. My blog entries especially, have given us several puzzling challenges. Diane's responses to my emails and calls are always quick and thorough no matter the scope or complexity of the issues. Her 'above and beyond' attitude is truly impressive. Thanks, Diane!"
