The Alliance of Divine Love Newsletter

OCTOBER 2022

In the Northern Hemisphere, we experience autumn as the start of earth energy's contraction toward stillness. Summer's dance of abandon begins to slow and settle, drawing us inward toward warmth, familiarity and gratitude for the abundance we have been gifted. We turn to our families, those we feel close to, for warmth, protection and comfort.

Nowadays, many of our family members live far away or have transitioned from our earth plane, and it is harder for us to surround ourselves with their love and companionship. Though our families of origin may be distant in mind or body, remember during the coming days that our ADL family is ever-present through phone calls, letters or in-person gatherings.

If you feel the need for conversation or a human touch, it's never a mistake to reach out to another ADL minister who has made a spiritual commitment to the Greatest Degree of Love. Sometimes the healing medicine that we need most is dispensed by the brothers and sisters in our family of CHOICE!

ADL Website Password Help

Did you forget your ADL Log In?

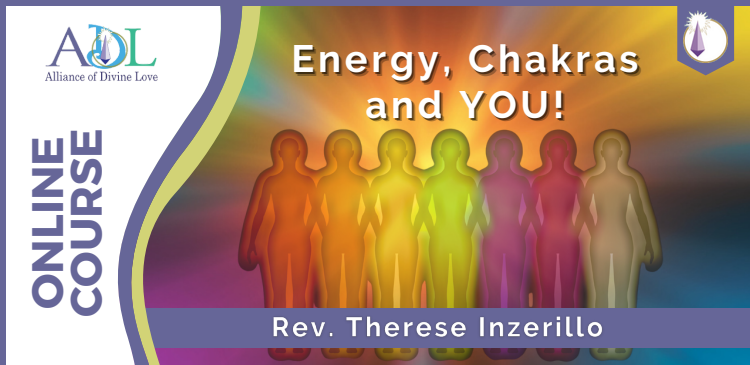

We all know that it can be difficult to remember so many different usernames and passwords. So, here's a quick and easy solution for logging into the ADL site!

Enter your username or email and simply click
"SEND ME A MAGIC LOGIN LINK"
and you'll be sent access to your registered email.

AND

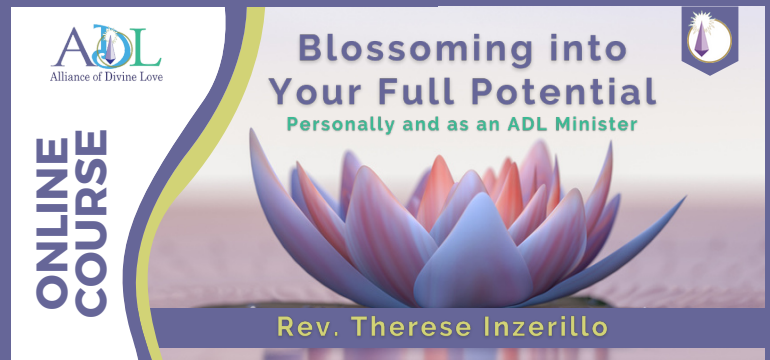

if that doesn't work, click
"DID YOU FORGET YOUR USERNAME OR PASSWORD?"

The screenshot shows the ADL website login page. At the top is the ADL logo with the text 'Alliance of Divine Love'. Below the logo is the heading 'Log in to Alliance of Divine Love'. There are two input fields: 'Username or email' and 'Password'. Below these fields is a green 'Log in' button. Under the button is a link that says 'Send me a magic login link'. At the bottom of the login area is a link that says 'Did you forget your username or password?'. Two blue arrows point from the text in the 'Tip of the Month' section to these two links.

The Timeless Love of Twin Souls

by Janet Kay Darling

Your twin soul, your soul mate or your lifetime partner are all expressions of love being present in your life. They are there for the purposes of bringing you exactly what you need when you are most in need of it.

This is because people come into your life so as to be with you in certain ways that you are not consciously aware of. Although you may not appreciate it, they are actually your teachers where you in turn teach them valuable lessons which they are in need of.

Exasperating Meditations

by Rev. Rita Scheibeck

As I close my eyes and... think, think, think... take a deep, cleansing breath... bother, bother, bother...I begin my journey to Divine... worry, worry, worry. Well hell! Yep, I had a meditation like that today and it wasn't pretty. Does that ever happen to you?

Sometimes it seems that the more I try to focus on meditating, the more distracted I become. It's no surprise really. Most of us lead very busy lives, with responsibilities for ourselves and others, with stress from situations in our immediate surroundings, and with outside influences that we can't control. No wonder some of our best attempts at deep meditations...

Where Is My Enlightenment?

by Rev. Rita Scheibeck

Sometimes it seems that I am always chasing after the best technique for finding myself and my true path in life. I often depend on the latest inspirational book, the next self improvement seminar and the easy five, ten or twenty step system to personal empowerment. I frequently find myself with a hole in my pocket where my money vanished, and no more enlightened than when I sought assistance to begin with.

So I ask myself, "Why is it so hard to find..."

Full Enlightenment Revisited

by Rev. Rita Scheibeck

I am hopeful that everyone who read my latest ADL blog will understand that I could never disparage any books, seminars, or other learning tools in my articles.

Most of us (I most assuredly include myself!) wouldn't be where we are today without the guidance and assistance of others and of the tools we have used to help us along our paths. We have learned and grown from a great variety of outside influences...
