

THE ROSE

The Alliance of Divine Love Newsletter

DECEMBER 2022

As we join together with our loved ones over this holiday season, may we acknowledge the contributions of every person we have spent time with or connected with this year.

There is a sacred purpose in every holy relationship, whether it appears so or not. Finding peace in our relationships, without judgment, allows us to integrate the lessons and gifts of each.

Then we see each other for who we truly are:

Magnificent Beings of Light, resplendent in the radiance of Divine Love, awake to the reality of our Soul's Perfection.

When this reconciliation is complete, we find the spark that reveals true Joy to the World.

Service To Others

by Rev. Rita Scheibeck

Many of us have heard that in order to receive we must first be willing to give. One of the most important ways to give or give back is to engage in some sort of service to others. If we have a difficult time identifying ways to accomplish that, we might not be listening to our intuition or we may simply be selling ourselves short.

Sometimes we think of service as a one or two shot deal: serving a meal; making a donation; helping a neighbor who's ill. Of course these are wonderful opportunities to give of ourselves, but are they enough to enhance our personal and spiritual growth on an ongoing basis?

A few of the situations that might...

Zeal

by Rev. Rita Scheibeck

I absolutely love the word "zeal." It may be one of the most powerful words in the creative process. Charles Fillmore, one of the co-founders of the Unity Movement, states in his book "The Twelve Powers of Man" that zeal is one of those powers. For me, it describes a feeling...

Sacred Connection

by Rev. Rita Scheibeck

It doesn't matter what's going on around me; what matters instead is what's going on inside. As I consciously make a connection with the Holy Spirit, I breathe in deeply and exhale fully, allowing my mind to slow down. As I do this, I bask in the peace of divine order, in the power...

Thanksgiving

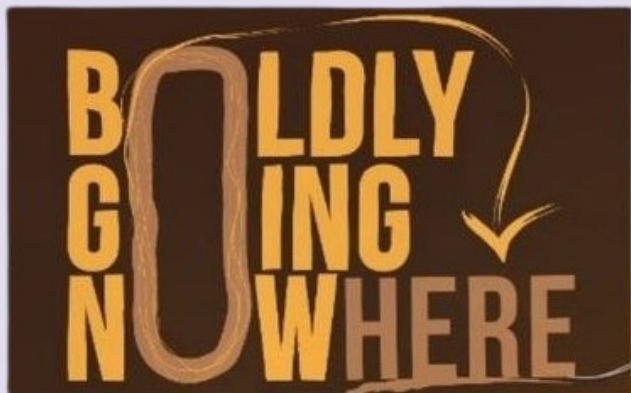

by Rev. Rita Scheibeck

I can't count the times that I've thought to make a gratitude list, when all I really feel like doing is complaining about the circumstances in my life. When I feel bogged down by what appear to be external sources, the last thing I want to do is to pretend that everything is alright and to feel grateful.

Especially when I'm despairing and feeling lost, it's then that I must strengthen my resolve to find a quiet moment of solitude to look around and to become aware that there are many opportunities for appreciation. During the busy Thanksgiving weekend, I might have to take a quick trip to the bathroom, the back porch, or the garage just to find a space and a few precious...

Boldly Going Nowhere

Our mission is to inspire a path to nowhere.

- A place where all is manifest, all ideas are born, all possibilities exist.
- A place where clarity is born, peace lives, and chaos dies.
- A place many have been seeking - and through perpetual seeking, have perceived it to be unattainable.

We are honored and excited to share in this sacred journey with you, and to witness the next version of you.
