Households	40	19	9	17

Clients Transitioning from Provincial Institutions

Discharge Method: Reason for Service

Due to the nature of this data point, HIFIS has no way to determine which clients had a recent discharge from a provincial institution. Therefore, this chart displays relevant information from Reason for Service which you can use to report on.

	Households
Detoxification	11
Discharge from Treatment - Medical	2
Discharge from Treatment - Other	1
Discharge from Treatment - Psychiatric	1
