About Roben-Marie

Roben-Marie provides ideas, inspiration and quality instructions for hobbyists and art entrepreneurs. She teaches artists from beginners to those making a living from their art through her blog and her popular online workshops.

As an artist, blogger, woman of faith and the owner of Paperbag Studios LLC, her mission is to serve others and help them get the most out of their art as a hobby, or as a business. Her own desire to learn and unquenchable curiosity keeps her fingers messy and her heart happy.

Roben-Marie has been an artist for the last ten years and is self-taught, so she believes that anyone can cultivate their creative spark. She's taught mixed media art workshops and retreats across the U.S. and her work has been featured in countless books and industry magazines.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. On the right side of the page, there are some faint, light-colored smudges or marks, possibly from a stamp or ink bleed-through. The overall appearance is that of a clean, unused piece of stationery.
