

THE ROSE

The Alliance of Divine Love Newsletter

FEBRUARY 2023

This month, we are planting seeds in consciousness, to be manifested in the coming months in the physical realm. Once the Solstice passes, our quietest, most inward-turning energies are reversed, allowing us the space to expand again to create new growth and new levels of Love.

What do we sense is our next step in evolution?
What sparks our imaginations with excitement?

We are awakening on the inside to the whisperings of Spirit. Pay attention to visions, dreams, symbols, messages of synchronicity and hope.

We are poised to launch a new season of Love, and we want to be ready!

Something *New*

Introducing a new way for ministers to share!

vlog (noun) - 'vlóg
: a blog that contains video material

A "vlog" is a set of videos that someone regularly posts, in which they record their thoughts or experiences or talk about a subject.

Recently ordained Rev. Debbie Holden is serving ADL in her ministerial internship by creating and posting weekly vlogs about her ADL student experience on her social media sites and on the ADL website.
