

# THE ROSE

The Alliance of Divine Love Newsletter

MARCH 2023

Whether you're digging out from under a record 6-foot snow event, evaluating if your hardy dahlia bulbs survived the mega-cold snaps this winter, moving the beach furniture further from the shoreline to avoid being washed away, or bringing out your summer clothes in March, there is no doubt that Mother Nature is showing off her ability to do whatever she wants whenever she wants.

As change and unexpected events accelerate around us, there is only one way to remain at peace. Draw inward toward the center of our Being, where outward appearances give way to Absolute rest and certainty.

In the wise words of Donna Karan, "It's all about finding the calm in the chaos."
