# HEY THERE, I'M ROBEN-MARIE!

As tech-savvy artist, instructor and woman of faith, my mission is to serve others and help them get the most out of their art as a hobby, or as a business.

Both in and out of the studio, my passion is helping my fellow creatives step into their full potential by creating confident, expressive art and sharing that art with more people through the power of the Internet.

I have been a working artist for the last seventeen years, and am self-taught, so I believe that anyone can cultivate their creative spark. I've taught mixed media art workshops and retreats across the U.S. and abroad and my work has been featured in countless books and industry magazines.

Blessings,  
Roben-Marie
