JULY 2023

"Ego says, "Once everything falls into place, I'll feel peace". Spirit says, "Find your peace, and then everything will fall into place".

-Marianne Williamson

As mid-summer's heat rises both physically and metaphorically, may we remember that the source of our healing is in doing what brings peace to our hearts. That may include vigorous action or calm contemplation, but the goal must be inner alignment with the Greatest Degree of Love. As we turn our inner compass toward Love, all the details take care of themselves, and Divine Order reigns once again.

Sneak Peek ADL National Conference 2023

“Reflection”

To look into the mirror and see the reflection of the Soul-self, the Divine Source of all Love. Is a reflection of Love from below Mother Earth’s Love to far above Cosmic Divine’s Love. Old Port, cobble stone streets, cafes, restaurants, music in the park, coffee house, inspirational speakers...

The Alliance of Divine Love recommends attending in-person, which allows us all to be in a group setting, to be Divine Love’s Channel and Reflect it outwards to all Life. Coming together in-person will significantly amplify the intensity allowing Divine Love and Light to be felt by all on Earth and throughout the Cosmos. One of the greatest benefits of this gathering is the amplified collective energy of the Greatest Degree of Love.

Sneak peak:

- Rev. Dr. Selwa is the keynote speaker.
- Introduction of the new Board of Trustees along with the National Meeting and Mentor Meeting.
- Rev. Janet Olson “Vision Quest” will lead us along with all those in attendance who will contribute to an Alliance of Divine Love Vision Quest.
- Rev. Vicki Spray “The Call to be a Healer” I will provide tools for overcoming fears, aligning with the call, and practical ways to move as a paid healer in our rapidly changing world.
- Rev. Estelle Thibodeau “Chess and contemplation through time”
- Rev. Liliana Barr “Sovereignty is Your Super Power”
- Rev. Julie Aziz “Natural Plant Medicine”
- Rev. Dr. Jewel Alexander, and Rev. Kristi Miller - DDMS dissertations
- Sunday – AM - Sunday Service

Individually, we are powerful beacons of light, together when our energy bodies create a fusion, we are an unmeasurable vessel of Divine Love and Light!

When I'm feeling...
