HEY THERE, I'M ROBEN-MARIE!

I'm a mixed media artist, instructor and mentor. As an artist, blogger and woman of faith my mission is to serve others, helping them to think big, create courageously and express themselves through art and craft. I believe anyone can cultivate their creativity and I enjoy helping others discover all that they're capable of!

I've been a working artist since 2004, am self-taught and believe that anyone can cultivate their creative spark. I've taught mixed media art workshops and retreats across the U.S. and internationally and my work has been featured in countless books and industry magazines

I'm also the creator and host of the Create and Thrive Audio Summit.

In my spare time I love to read, bake all the things, sleep in and travel. I live in Florida with my husband of 34 years and together we work with the youths in our church. I also have a heart for mission work, having served in Panama, El Salvador, Romania and Honduras.

Blessings,
Roben-Marie
