

## **Tailor-made solutions in various export areas**

Do you have areas that you are determined to implement, but perhaps **lack methods and the right skills**? We match **specialist competence** with your needs to achieve the greatest effect.

**Develop yourself in the special area where you have the greatest need.**

This can apply to a number of specific areas within your entire business.

### **Some examples:**

- Marketing communication
- Web pages
- Legal agreements
- Social Media
- Administration of foreign personnel
- Marketing
- Lead generation
- Searching and making contacts for prospects in other countries
- E-commerce

We have a number of specialists that we collaborate with in various fields who have the skills to give you guidance and support to achieve the results you strive for.
